

Join the Network!

Henry Ford Health System is proud to partner with the Women-Inspired Neighborhood (WIN) Network: Detroit to bring you group prenatal care!

Group Prenatal Care is a way to get all of your prenatal care, along with other women who are due around the same time. You can build an even stronger support team to help have a healthy baby and brighter future! Plus...

- No wait time for appointments
- More time with your midwife
- 1-on-1 support from a community health worker
- One-stop for all of your care (including labs and ultrasounds)
- Learn about what to expect during and after pregnancy
- Free giveaways and childcare

JOINING IS EASY!

1. Call (313) 916-8999 to set-up an appointment
2. Meet 1-on-1 with a midwife at Henry Ford
3. Join the group that's right for you
4. Enjoy your pregnancy with other women on the same path
5. Have a healthy baby and keep getting 1-on-1 support with a community health worker through baby's first birthday

Funding for this project comes from the W.K. Kellogg Foundation, The Jewish Fund, March of Dimes Foundation, Henry Ford Health System and the Gail and Lois Warden Endowed Chair in Multicultural Health.

Henry Ford Midwives

The Henry Ford Hospital Certified Nurse Midwives provide care for healthy women from puberty through menopause, with special emphasis on pregnancy and well woman care, childbirth, gynecology and family planning.

Services Include: Prenatal care, deliveries, routine gynecological exams, pap smears, breast exams, contraception, and treatment of minor gynecological infections.

MEET THE MIDWIVES!

A TEAM APPROACH TO WOMEN'S HEALTH

At Henry Ford, our team of midwives, obstetricians and gynecologists work closely together to offer the most comprehensive treatment to our patients. We also believe that a team approach provides the safest possible care environment: with 24-hour on-site availability, collaboration and referral is immediate should a medical complication arise that requires physician expertise.
